WHAT IS INTERMEDIATE DISTRICT 287?

Intermediate District 287 serves students from 12 school districts in the West Metro. We have 6 school buildings that house programs that serve elementary through Transition age (21 years) students. We also serve students in their home school districts, residential treatment programs, hospitals, colleges, and other settings.

We provide educational services and programs such as special education, Alternative Learning Centers programs, online learning, gifted & talented and many others.
